"Details" Short Film
Coming to YouTube October 4, 2019

New York, New York: Producer Eddie S. Diaz and Saint Productions would like to announce that "Details," a short film will have its online premiere on YouTube on October 4, 2019.

Directed by Emmy-nominated director, Sally Lomidze, "Details," is a romance about a woman who falls in love with a stranger but memories from her past threaten the relationship. The short film stars Sharinna Allan, John Harrison, Siena Marino, Wolfen de Kastro and Venuz Delmar.

"Details" has been screened as an official selection at the following film festivals:

- International Puerto Rican Heritage Film Festival
- Beaufort International Film Festival
- New York Short Film Festival
- Peekskill Film Festival
- Rendezvous Film Festival
